INDEX TO BLACK AND WHITE PHOTOGRAPHS

Jet Lowe, photographer, December 2006

PA-642-1	Looking north at roundhouse and turntable, with erecting shop in left background.
PA-642-2	Looking north at 17-stall roundhouse and turntable.
PA-642-3	Looking north at roundhouse and turntable, with B&LE 878, an EMD SD38-2 diesel locomotive, beside stall 1.
PA-642-4	Looking northwest at turntable and roundhouse. Roundhouse is closed, but turntable is in service as of December 2006.
PA-642-5	Doors for roundhouse stall 4. Note pedestrian door set in left stall door.
PA-642-6	Looking northeast at the back wall of the roundhouse.
PA-642-7	Looking southeast at the back wall of the roundhouse. Track in foreground extends through entire shop complex.
PA-642-8	Roundhouse interior, looking north from stall 3.
PA-642-9	Roundhouse interior, looking south from stall 17.
PA-642-10	Looking west at roundhouse across turntable and pit.
PA-642-11	Looking south across turntable. Roundhouse is at right. Former Chicago Bridge & Iron Co, plant is at left.

INDEX TO PHOTOGRAPHS

PA-642-12	Detail of turntable pit, pit rail, and control cab. Sphere in background is a CB&I "Watersphere" water tower.
PA-642-13	Turntable control cab. Note metal pointer on wood decking opposite end of rail, used by operator to align table with tracks.
PA-642-14	Turntable control cab interior, with brake lever at left and electric-motor controller at right.
PA-642-15	Looking north at power house. Passenger car shop is at right, with erecting shop in the distance.
PA-642-16	Looking southwest at northeast corner of erecting shop.
PA-642-17	Northeast corner of erecting shop. Note 1951 diesel shop extension of stalls 25 and 26 behind transformer poles.
PA-642-18	Looking northwest at 26-stall erecting shop, with 1951 diesel shop extension of stalls 25 and 26 at right end.
PA-642-19	Looking northwest at transfer table and erecting shop. Note Ohl Street bridge over Shenango River in left background.
PA-642-20	Looking north across transfer table. Transfer table served erecting shop and passenger car shop.
PA-642-21	Looking southwest at wheel shop and freight car shop in background.
